Launch your own sport league at fanball

The listed internet company [Fun Technologies](#) offers a special service which is great fun for sport fans and amateur sport managers worldwide.

The homepage category “fun sports” includes the **sport area** [Fanball](#) which was already founded in 1993 (!). **Fanball** is the current **online market leader** in the business of fantasy sport leagues.

After paying a charge, the user gets a lot of tools and options to create his own sport leagues and new teams. Furthermore, there is the opportunity to diversify actual sport teams. The user is allowed to invite his friends to play along with him. Alternatively, the user can choose online adversaries. Actually, fanball offers the most popular sports like american football, golf, baseball, basketball, soccer and icehockey, as well as a online version of NASCAR.

Adept fanball players are also allowed to take part at special events and tournaments where they have the chance to win up to 6.000\$!
